Preface

The following conventions are used in this document:

Bold	Used for information that is typed, pressed, or selected in executables and instructions. For example, select connect to host .
<i>Italics</i>	Used for file names, directories, scripts, commands, user IDs, document names, and Bibliography references; and any unusual computerese the first time it is used in text.
<u>Underline</u>	Used for emphasis.
Arrows <>	Used to identify keys on the keyboard. For example <Return>.
“Quotation Marks”	Used to identify informal, computer-generated queries and reports, or coined names; and to clarify a term when it appears for the first time. For example “Data-Generation Report.”
Courier Font	Used to denote anything as it appears on the screen or command lines. For example <code>tar xvf dev/rmt/3mm</code> .
Capitalization	Used to identify keys, screen icons, screen buttons, field, and menu names.

1. Installation Procedures

1.1 Scope

The Installation Procedures (IP) outlined in this document pertain to the Common Operating Environment (COE) Web Help Data (COEWEBHelpDATA) segment, Version 1.0.0.1 (V1.0.0.1). This segment is delivered for the Defense Information System (DII) for both Hewlett-Packard (HP)-based and Solaris-based platforms.

1.1.1 Identification

This section contains identification information for the COEWEBHelpDATA segment:

Segment Name:	COE Web Help Data Segment
Segment Type:	DATA
Prefix:	WHDAT
Home Directory:	/h/COEWEBHelpDATA
Required License:	None
Version Number:	1.0.0.1
Platform:	Sun (UNIX) Workstation/Solaris 2.5.1

1.1.2 System Overview

This section contains system overview information for the COEWEBHelpDATA segment:

Purpose:	The COEWEBHelpDATA segment contains a sample Web help hypertext mark-up language (HTML) file which, when used with the associated COE Web Help Software (COEWEBHelpSW) segment, demonstrates how a developer can integrate local Web-based help documents into a mission application's operating environment.
Usage:	Developers may use the documentation contained in the COEWEBHelpDATA segment as an aid for developing and implementing server-based Web help documents.
References:	The <i>COE Web Help Developer's Guide</i> which has been delivered with this segment. Users may also refer to the on-line version of this manual by installing and running the sample application contained in this segment, and selecting the COE Web Help menu item on the Help menu.

This page intentionally left blank.

2. Referenced Documents

The following document is referenced in this Installation Procedures:

COE Web Help Developer's Guide delivered with the COEWEBHelpDATA segment, V1.0.0.1.

This page intentionally left blank.

3. System Environment

3.1 System Requirements

The following subsections describe the system requirements to install the COEWEBHelpDATA segment.

3.1.1 Hardware Requirements

The following HP hardware is necessary to install the COEWEBHelpDATA segment:

- C HP-UX 10.20
- C 45 KB of disk space
- C 16000 KB of memory

3.1.2 Operating System Requirements

The HP operating system must be at least HP-UX 10.20 to install the COEWEBHelpDATA segment.

3.1.3 Kernel Requirements

The following DII COE Kernel is required to install the COEWEBHelpDATA segment:

DII COE Kernel V3.2 for HP-UX 10.20 for the HP version of COEWEBHelpDATA.

3.2 System and Site Preparations

3.2.1 System Configuration

The associated COEWEBHelpSW segment, V1.0.0.1 must first be installed on the machine on which you plan to install the COEWEBHelpDATA segment.

3.2.2 Operation System Preparation

None.

3.2.3 Tape/Disk Preparation

Rewind tape before beginning installation process.

This page intentionally left blank.

4. Installation Instructions

4.1 Media Booting Procedures

None.

4.2 Installation Procedures for the COEWEBHelpDATA Segment

Use the following steps to install the COEWEBHelpDATA segment:

Step 1: Select **COE Web Help Data Segment** from the COE Installer's Select Software to Install window and press the **INSTALL** button.

Step 2: Respond appropriately to any other COEInstaller prompts.

4.2.1 De-Installation Procedures

Use the following steps to de-install the COEWEBHelpDATA segment:

Step 1: Select **COE Web Help Data Segment** from the COE Installer's Currently Installed Segments window and press the **DEINSTALL SOFTWARE** button.

Step 2: Respond appropriately to any COEInstaller prompts.

NOTE:	The COEWEBHelpDATA segment should be de-installed <u>before</u> de-installing the associated COEWEBHelpSW segment (V1.0.0.1).
--------------	---

4.3 Installation of Upgrades

None.

4.4 Installation Verification

To verify that this segment has been installed, do the following:

- C Make sure that the associated "COE Web Help Software Segment" is installed.
- C Execute the following command from a command line:

```
/h/COEWEBHelpSW/bin/WHWSW_COEWEBSampleApp
```

When the COE Web Help Sample Application window is displayed, select the **COE Web Help** menu item from the Help menu. When *COE Web Help Developer's Guide* should be displayed in the Netscape browser window that appears.

4.5 Initializing the Software

Not required.

4.6 List of Changes and Enhancements

Not applicable.

4.7 Important Considerations

None.

5. Notes

This segment will not install unless the associated COEWEBHelpSW segment is installed first.

The COEWEBHelpDATA segment should be de-installed before de-installing the associated COEWEBHelpSW segment, V1.0.0.1.

This page intentionally left blank.
